

High performance, Simplified and Lower-Cost Solution for Server and Storage Consolidation

NetApp IP SAN Storage with VMware is an integrated solution for the Server and Storage consolidation. The aim of the workshop is to demonstrate how the NetApp IP SAN Storage with VMware provides a lower-cost robust end-to-end data center solution.

The workshop will introduce the NetApp IP SAN Storage with VMware solution on following:

- The benefit of Server and Storage consolidation
- VMware is a high efficiency but cost effective server consolidation solution
- NetApp IP SAN Storage (iSCSI) is a high performance, simplified and lower-cost solution for Storage Consolidation
- NetApp IP SAN Storage integrated with VMware is a perfect matching solution for the Server and Storage Consolidation
- NetApp Snapshots technology adds extra value on VMware server disaster recovery

Date: 21-March-2007(Thru)

Time: 9:30am – 11:30am

**Location: 26/F Cambridge House,
Taikoo Place, Quarry Bay,
Hong Kong**

**Registration can enjoy a
special offer on US\$19,500
“BUY
NetApp IP SAN Storage
GET FREE
IBM Server & VMware”**

Time	Topic
9:15 – 9:30pm	Registration
9:30 – 9:40 pm	Welcome Speech
9:40 – 10:10 pm	Benefit of NetApp IP SAN Storage with VMware for server and storage consolidation
10:10 – 11:00 pm	Demonstration for NetApp IP SAN Storage and VMware solution
11:00 – 11:15 pm	Project Implementation
11:15 – 11:30 pm	Q&A

For Registration, please contact Tiffany Wun at Tel: 2151 8174 or Email: tiffany.wun@itchannel.com.hk
